A Bbdim7
 Blame it all on my roots I showed up in boots
 Bm
 And ruined your black tie affair
 E E7
 The last one to know The last one to show
 A
 I was the last one you thought you'd see there
 A Bbdim7
 And I saw the surprise And the fear in his eyes
 Bm Dm7
 When I took his glass of champagne
 E E
 I toasted you Said honey we may be through
 E E7
 But you'll never hear me Complain

7

[Chorus]

A
 'Cause I got friends in low places
 A
 Where the whiskey drowns and the beer chases
 Bm E
 My blues away And I'll be okay
 A
 I'm not big on social graces
 A A7
 Think I'll slip on down to the oasis
 Bm E A
 'Cause I've got friends In low places

[Verse 2]

 Well, I guess I was wrong I just don't belong
 Bm
 But then, I've been there before
 E E7
 Everything's alright I'll just say goodnight
 A

 A Bbdim7
 Hey, I didn't mean To cause a big scene
 Bm Dm7
 Just give me an hour and then
 E E7 E E7
 I'll be as high as that Ivory tower That you're livin' in
