

## Hey Jealousy

[Intro]

D E F#m E (X2)

[Verse 1]

Tell me do you think it'd be all right, If I could just crash here tonight  
You can see I'm in no shape for driving, And anyway I've got no place to go  
And you know it might not be that bad, You were the best I'd ever had  
If I hadn't blown the whole thing years ago, I might not be alone

[Chorus]

Tomorrow we can drive around this town, And let the cops chase us around  
The past is gone but something might be found, To take its place  
Hey jealousy, Hey jealousy  
Hey jealousy, Hey jealousy

[Verse 2]

And you can trust me not to think, And not to sleep around  
If you don't expect too much from me, You might not be let down  
Cause all I really want is to be with you, Feeling like I matter too  
If I hadn't blown the whole thing years ago, I might be here with you

[Chorus]

Tomorrow we can drive around this town, And let the cops chase us around  
The past is gone but something might be found, To take its place  
Hey jealousy,

[Guitar Solo]
