

## How You Remind Me

[Verse 1]

**Cm D#**

**Never made it as a wise man**

**A# F/A**

**I couldn't cut it as a poor man stealing**

**Cm D#**

**Tired of living like a blind man**

**A# F/A**

**I'm sick of sight without a sense of feeling**

[Pre-chorus]

**Cm D# A#**

**And this is how you remind me**

**Cm D# A# F/A**

**This is how you remind me of what I really am**

**Cm D# A#**

**This is how you remind me of what I really am**

[Chorus]

**Cm D#**

**It's not like you to say sorry**

**A# F/A**

**I'm always waiting on a different story**

**Cm D#**

**This time I'm mistaken**

**A# F/A**

**For handing you a heart worth breaking**

**Cm D#**

**And I've been wrong, I've been down**

**A# F/A**

**Into the bottom of every bottle**

**Cm D#**

**These five words in my head**

**A# F/A**

**Scream, "Are we having fun yet?"**

**Cm D# A# F/A (X2)**

**Yeah, yeah, yeah, no no**

**[Verse 2]**

**Cm D#**  
It's not like you didn't know that  
**A# F/A**

Cause living with me must have damn near killed you
